Not bad to be against someone. But to use baseless points that have no foundation in reality makes Fox look stupid. He's there to be the alt left brain reporter?? Maybe??

Jack Murphy @RealJack
Shepard Smith is the biggest anti-Trump cry baby on Fox News.

The fact that he still has a job is absurd.

Raise money sure but it needs to turn into a profit making enterprise. Raise some money. Let's get it financed through a syndicate then Build it and lease it back to the Mexican government and Uncle Sam respectively for the passages of people and cargo. Like the Panama Canal.

Lord, we pray that you remain with the Flynn's as we approach the conclusion of the assault on @GenFlynn's character, career, family, & future. #WeThePeople can see clearly that he is a patriot & a hero. We ask that you help bring justice to the Flynn family.

Shepard Smith: "While he was National Security Advisor to the President of the United States, Michael Flynn was also being paid by a foreign government, Turkey, to lobby for them."

THIS IS NOT TRUE, @FoxNews.

Is it ethical for the Judge to just assume Flynn's guilt on the Turkey UFA business?

I mean, doesn't Flynn deserve the presumption of innocence and due process?

Not only is he not guilty, he hasn't even been indicted!
